

USDA Headquarters Green Team

Sub Working Groups

- Energy and Water Management
- Solid Waste and Recycling
- Biobased and Environmental Preferable Purchasing
- Environmentally and Economically Beneficial Landscaping

The Energy Reduction Challenge

- Marketing Campaign to promote Energy Reduction Challenge Day including:
 - Memo's to employees;
 - CENS Messages;
 - Use of Channel 6;
 - USDA Webpage announcement;
 - E-mail broadcasts;
 - Posters in hallways, exits, cafeteria;
 - Lunchtime outreach sessions in the cafeteria;
- Energy Challenge Day is only the beginning - a foundation for employee awareness, participation, and involvement for future long term reductions.
