

UNITED STATES DEPARTMENT OF AGRICULTURE
BEFORE THE SECRETARY OF AGRICULTURE

AWG Docket No. 10-0370

In re: Beverly M. Roy,

Petitioner

ORDER

It appears that the Petitioner filed a voluntary Chapter 7 petition in Bankruptcy on August 13, 1993 in the United States Bankruptcy Court for the Western District of Louisiana (Petition # 93-50749) and was discharged in the bankruptcy action on November 30, 1993. As a discharge in bankruptcy was entered and the debt sought to be collected was not reaffirmed, the Petitioner is not indebted to the United States on account of the mortgage loan given to her by Farmers Home Administration (now Rural Development), United States Department of Agriculture which is the underlying debt sought to be collected.

Being sufficiently advised, the Administrative Wage Garnishment proceedings are terminated and this action is **DISMISSED**, with prejudice. It is further **ORDERED** that Treasury is directed to return the account to the United States Department of Agriculture and the Agency is directed to refund to the Petitioner the sum of \$2,271.92 or such greater sum as might have been collected from her from and after the date of her discharge in bankruptcy.

Copies of this Order will be served upon the parties by the Hearing Clerk.
