Johnson (LBJ) Job Corps Centers, herein after referred to as the Agency or Management, and the American Federation of Government Employees (AFGE), Local #0446 herein after referred to as the Union. The Agency and the Union are collectively referred to as the Parties. The Parties recognize the importance of building a constructive and cooperative relationship which will aid in achieving the mission of the Schenck and LBJ Job Corps Centers. The Parties are jointly committed to serving the public interest and promoting good Government.

The Parties understand, accept, and affirm that both the well-being of employees and the effective and efficient administration of the Government are benefited by employees having the opportunity to provide input into the development and implementation of personnel policies and practices affecting the conditions of their employment. The maintenance of a constructive and cooperative Union-Management relationship will encourage this endeavor.

The Parties understand, accept and affirm that the public interest demands the highest standards of employee performance, the continued development and implementation of modern and progressive work practices to facilitate and improve employee performance and the efficient accomplishment of Government operations. This Agreement will promote the ease and efficiency of Management's operations. Therefore, the Parties are committed to following both the letter and intent of the Articles contained in this Agreement.

This Agreement supersedes any, and all prior Agreements and Memoranda of Understanding between the Parties and shall be the exclusive document recognized by the Parties to this Agreement.

ARTICLE 1

RECOGNITION AND UNIT DESIGNATION

1. Management recognizes that the American Federation of Government Employees, AFGE Local #0446, is the exclusive representative of all employees in the bargaining units.

2. This Agreement is applicable to all professional and non-professional employees of the Schenck and LBJ Job Corps Centers, except management officials, supervisors, and employees described in 5 U.S.C. 7112 (b)(2)(3)(4)(6) and (7). Such employees form the bargaining unit, and the Union is the exclusive representative of these employees.

(15) days of the reasons. If the Parties cannot agree, the Union may exercise their right to
file a petition or Unfair Labor Practice (ULP). Any disputed position(s) will remain in
the Bargaining Unit until such time as the Federal Labor Relations Authority (FLRA)
reaches a decision on the position.

ARTICLE 2

desire to terminate or modify this Agreement.

ARTICLE 8

1. The purpose of this Article is to provide a mutually acceptable method for the prompt resolution of grievances filed by the Parties and/or employees. In the event an appeal or complaint of an employee is accepted who has exercised a statutory procedure or timely filed a grievance, the grievance or other procedure will be cancelled.

5. **Resolution:**

   a. Most grievances arise from misunderstanding or disputes that can be resolved promptly and satisfactorily on an informal basis. In order to resolve grievances at the lowest level, the participants are encouraged to have open discussions. However, discussions prior to and throughout the grievance process do not extend any time frames unless mutually agreed to by the Parties in writing.

   b. Management will cancel an employee’s grievance upon termination of the employee’s employment with the Agency, unless the personal relief to the employee may be granted after termination of employment; or upon the death of the employee, unless the grievance involves a question of pay.

6. A grievance may be filed by an employee or a group of employees, by the Union, or by Management. Only the Union, or a representative designated by the Union, may represent employees in such grievances. However, any employee or group of employees may personally present a grievance and have it resolved without representation by the Union provided that the Union will be given an opportunity to be present at all formal discussions in the grievance process. Any resolution must be consistent with the terms of this Agreement.

7. **Grievance Filing:**

   a. The parties are encouraged to freely engage in Conflict Management Program services including mediation and facilitated discussions that will assist in facilitating resolution of problems.
b. The early identification and resolution of problems is recognized as an effective way of preventing grievances. Employees should be encouraged to meet as soon as problems develop to avoid having to use the formal grievance process.

c. Grievances will be filed with the designated Receiving Official noted below in section 7. The Receiving Official may designate another grievance Deciding Official full authority to decide or settle the grievance. Written designation notice will be provided to the designated Union official within ten (10) days of receipt of the grievance.

d. If at any step of the grievance procedure it is determined that the Management official does not have the authority to resolve the grievance, the grievant and the designated Union official will be informed and the grievance will be forwarded to the proper official. This will fulfill the grievant obligation to meet the timetable set up in the grievance procedure, but it will not be considered as one of the steps. Any grievances starting at the Step 2 level that are not resolved, may proceed to arbitration.

8. **Grievance Procedure:**

a. Step 1:

   1. The grievant and/ or representative must file a Step 1 Grievance in writing with the Center Director, with a carbon copy to the Labor Relations Specialist, within thirty (30) days of the incident resulting in the complaint or the date the grievant first became aware of the matter which precipitated the grievance.

   2. The written grievance will identify the nature of the grievance, a summary of the issues, the contractual or legal non-compliance or violation, and the relief requested. The parties may mutually agree to meet to discuss the grievance matter prior to issuing a grievance response.

   3. A written decision will be transmitted to the grievant and Union within thirty (30) days after the grievance filing date. Included within such decision shall be a statement indicating the grievant right to submit a grievance to Step 2.

b. Step 2:
1. If the grievant is dissatisfied with the decision given in Step 1, the grievant may submit a Step 2 grievance in writing to the National Assistant Director, with a cc to the Labor Relations Specialist, thirty (30) days after receipt of the Step 1 Grievance Response.

2. The written grievance will specify unresolved issues and the relief requested. Grievances beginning at Step 2 will include the information required under Step 1 and a copy of any letter or documents being grieved.

3. A meeting may be held to resolve, discuss, or clarify facts and issues that may impact the decision, when mutually agreed by the Parties. When the meeting would require the Parties of the grievant to leave the Center, telecommunications may be used at the option of either Party.

4. The official listed above shall render a written decision to the grievant and the Union with thirty (30) days of the receipt of the Step 2 grievance. This decision shall be the final Agency decision on the grievance. Included with the decision shall be a statement indicating that if the grievance is not resolved, the Union may refer the matter to arbitration in accordance with Article 9. Any grievance starting at the Step 2 level with the National Assistant Director that are not resolved, may proceed to arbitration.

9. **Management Grievance Procedure:**

   a. **Step 1:**

      1. The Center Director or appropriate management official may file a written grievance with the Local #0446 Union President. The grievance must be filed within thirty (30) days of an alleged violation of contract, regulation, law or other obligation unless Management could not reasonably be expected to be aware of the incident by such time. In that case, the notification must be given within thirty (30) days from the date the incident became known. The parties may mutually agree to meet to discuss the grievance matter prior to issuing a grievance response.
2. The Union President shall respond in writing to the grievance filing official, with a cc to the Labor Relations Specialist, within thirty (30) days of the grievance filing date.

b. Step 2:

1. If not resolved at Step 1, the Center Director or appropriate management official may submit a Step 2 grievance to the National Office of AFGE within thirty (30) days of receipt of the Step 1 decision. The National Office will make a decision in writing to the grievance filing official with a cc to the Labor Relations Specialist, within thirty (30) days of receipt of the Step 2 grievance.

2. In the event satisfactory resolution is not achieved, the management official designated to receive the Step 2 decision may elect to process to arbitration in accordance with the provisions of Article 9.

10. **Time Limits:** An extension to time limits in this article may be requested in writing, to the official designated to receive the grievance, and extended by mutual consent of the Parties.

   a. Failure of the responding management official to meet time limits, shall result in the grievance automatically moving to the next step in the negotiated grievance process.

   b. Failure of the Union or grievant to meet time limits automatically cancels the grievance.

**ARTICLE 9**

**ARBITRATION**

1. **Right to Arbitration:**

   a. If a grievance decision processed under the negotiated grievance procedure is not acceptable, the issue may be submitted to the Federal Mediation and Conciliation Service (FMCS) for arbitration by Management or the Union. The Party filing the arbitration will notify the other party in writing with a copy of the arbitration filing notice within seven (7) days of the filing. An arbitration must be filed in writing, signed by the President of AFGE Local #0446, or the appropriate
Management Official at Step 2 under Article 8.8, within thirty (30) days following receipt of the grievance decision.

b. The Party invoking arbitration may opt to postpone the arbitration hearing date if that Party has filed an Unfair Labor Practice charge alleging information relevant to the case has been withheld until the Federal Labor Relations Authority has rendered its decision.

2. Where there are a number of grievances concerning the same issue, the Parties will review the issue and may mutually agree to combine the grievances for a precedential decision by the arbitrator.

3. **Arbitrator Selection:** Unless otherwise mutually agreed, the invoking Party will submit a request within seven (7) days of invoking arbitration to the FMCS for a list of seven impartial persons qualified to act as arbitrator. Within fifteen (15) calendar days after receipt of such list, Management and Union shall confer to select an arbitrator. If the Parties cannot agree on an arbitrator from the list, each Party shall strike one name in turn from the FMCS list. The determination of which Party shall strike first from the list will be determined by the flip of a coin or an agreement between the Parties. After each Party has struck three names from the list, the remaining person shall serve as the arbitrator. If the responding party fails to participate in the selection process, the invoking party will make a selection of the arbitrator from the list. The invoking party must submit the arbitration case information to the Arbitrator and /or FMCS and the charged party within twenty-one (21) days of election of the arbitrator. Failure to do so cancels the grievance.

4. Each Party shall submit a separate statement to the arbitrator, who shall determine the issue to be heard. The Parties may agree to a joint submission.

5. **Fees and Expenses:**

   a. The cost of arbitration, including arbitrator's fees and expenses, shall be borne by the losing party. When a decision does not clearly favor one party’s position over the other, the arbitrator may specify that all costs should be borne equally by the parties.

   b. If a transcript is requested by either Party, the cost will be borne by that party. If the other party requests a copy, they will pay half (1/2) of the total cost of the transcript.
c. In the financial interest of both parties, arbitrator lists will be requested on-line. The cost to file the Arbitration and obtain the panel/arbitrator list will be split by the parties.

d. If a clarification of an arbitrator’s decision is necessary, the requesting Party will pay for the additional arbitration fees and expenses. The arbitrator will be requested to complete the clarification within thirty (30) days. If jointly requested, the costs will be shared.

e. The arbitration hearing will be held, if possible, on Agency premises and during the regular day-shift hours. If the hearing cannot be held on Agency premises, the arbitration meeting location will be mutually agreed to by the parties. The grievant and any employee called as a witness will be excused from duty to the extent necessary to participate in the official proceedings with pay and travel expenses as authorized in federal travel regulations. Questions raised as to whether a witness is necessary will be resolved by the arbitrator. An equal number of Union Representatives, employed by the Agency may be authorized official time, travel, and per diem expenses, in accordance with Article 5 provisions, as there are Management Representatives.

f. Employee grievant(s) on shifts other than the regular day shift will be temporarily placed on the regular day shift for the duration of the hearing in which they are involved. Employee witnesses other than the grievant(s) will be made available for the hearing subject to applicable overtime compensation.

g. Both Parties will provide a list of their witnesses no later than four (4) weeks before the actual date of the arbitration.

6. Authority:

a. The arbitrator’s authority is limited to the adjudication of issues that were raised in the grievance procedure. The arbitrator shall not have authority to add to, subtract from, or modify any of the terms of this Agreement, or any supplements.

b. The arbitrator who heard the merits of the case will retain jurisdiction until all issues pertaining to the implementation of the award have been resolved. The Parties shall use the most economical and efficient method of resolving these issues.
7. **Threshold Determinations:** The arbitrator shall have the authority to make threshold determinations concerning grievance and arbitration ability, continuing violation theory or any other legal threshold matter to be resolved. Threshold questions shall be resolved by the arbitrator prior to the hearing on the merits of the grievance, unless otherwise agreed by the Parties.

8. **Arbitration Process:**

   a. Upon selection of the arbitrator in a particular case, the respective representative for the Parties will communicate with the Arbitrator and each other in order to select a mutually agreeable date for the arbitration hearing. The Parties will endeavor to schedule the hearing within forty-five (45) days after arbitration is invoked. If the Parties are unable to mutually agree and schedule a hearing date within forty-five (45) days, the Arbitrator will select a date.

   b. If the Arbitrator is not available within the timeframe, the Parties shall agree either to extend the time frame or select a different Arbitrator.

   c. The Arbitrator will be requested to render the decision and remedy to the Parties as quickly as possible, but, in any event, no later than thirty (30) days after the conclusion of the process as described above, unless the Parties agree to a different timeframe.

   d. The Arbitrator’s decision shall be final and binding, unless an exception is filed with the Federal Labor Relations Authority (FLRA). If no exception is filed, the Arbitrator’s decision and remedy will be implemented. An exception to the Arbitrator’s decision may be filed in accordance with FLRA regulations.

9. **Expeditied Arbitration:**

   a. A stipulation of facts to the Arbitrator can be used when both Parties agree to the fact at issue and a hearing would serve no purpose. In this case, data, documentation, etc., are jointly submitted to the Arbitrator with a request for decision based upon the facts presented.

   b. An arbitrator inquiry may be used to expedite the resolution of the grievance. In this case, the Arbitrator would make such inquires as he or she deemed necessary, prepare a brief summary of the facts, and render an on-the-spot decision with a summary opinion. The Parties may mutually agree to eliminate the summary opinion.
c. By mutual agreement, either Party may ask the Arbitrator to render summary judgement.

ARTICLE 10
NEGOTIATIONS

1. Midterm Negotiations:

a. The Parties agree that changing working conditions may create a need for the Agency and/or the Union to propose midterm negotiations regarding items that are not already covered by this Agreement.

b. If negotiations are requested for a negotiable matter, the Parties will meet and negotiate in accordance with Section 2 of this Article with respect to the proposed changes to conditions of employment.

c. Management may implement changes in conditions of employment, not in conflict with this Agreement, after the Union has been notified in writing of the changes and given the opportunity to bargain, including conclusion of mediation and impasse procedures.

d. Management agrees that it will not unilaterally implement negotiable changes in personnel policy or practices or conditions of employment that effect bargaining unit employees working conditions, until the bargaining obligation has been met, except for emergencies or when the date of implementation is required by law. In these situations, post-implementation issue resolution or negotiations may be appropriate.

2. Negotiation Procedures:

a. For Management initiated proposals, Management will furnish notice of the changes affecting conditions of employment to the Local #0446 President. The Union has up to thirty (30) days after receipt of the proposal to request mid-term negotiations by submitting written proposals to Management. The Parties agree that information requests will be prudent and necessary to respond to the notice or proposal.

4. **Time Limits:** When information data is requested from either Party regarding a matter to be negotiated, the time limits for a formal notice response will be automatically extended to that equal to the number of days it takes to receive the information or a response. The parties will submit information requests regarding the matter to be negotiated at least fifteen (15) days in advance of scheduled negotiations or the notice response due date.

5. **Ground Rules for Midterm Negotiations:** The parties will use the most economical and efficient methods to conduct negotiations, including teleconferencing and/or electronic communication tools. Union negotiators in numbers equal to the number of Management negotiators will request official time and travel and per diem in accordance with Article 5 procedures. Additional ground rules may be established by the Parties prior to negotiations.

6. **Posting and Distribution:** The electronic distribution of all Memorandum of Understanding (MOU) to Union officials and Management will be the responsibility of Management, unless otherwise agreed. Management will provide a copy of a final signed MOU to the AFGE Local #0446 President within thirty (30) days of the effective date.

7. **Negotiability Disputes and Impasses:**

   a. If Management believes a written Union proposal is non-negotiable, it will raise the issue of negotiability, in a timely fashion, at the early stages of the negotiation process so that attempts can be made to resolve any negotiability matters. The Union will be provided, upon request, with a written statement of the rational for a claim of non-negotiability. Either Party may submit a negotiability appeal to the FLRA in accordance with applicable regulations.

   b. In the event of an impasse, either Party may invoke mediation, and, if unsuccessful, may request the Federal Services Impasse Panel (FSIP) to consider the matter, or by mutual agreement, may refer the matter to binding arbitration in accordance with Article 9.
8. **Past Practices:** Upon approval, this Agreement will supersede and cancel all previous formal and informal labor agreements, including any past practices, and will serve as the sole Agreement between the parties.

The charged party will respond in writing acknowledging receipt of the pre-ULP Notice and its intent to request the opportunity to discuss the issue(s). If resolution is invoked, the Parties will attempt resolution within five (5) working days, unless more time is mutually agreed to. If the charged party does not acknowledge receipt within two (2) days of the pre-ULP filing, the formal ULP may be filed. The informal resolution period will not extend formal FLRA ULP filing timelines.

2. The Parties will have full authority to mutually agree to any procedures necessary for resolution.

The local parties may negotiate the amount of time needed, normally presentation time will not exceed one (1) hour. Union representatives must request official time in accordance with Article 5 procedures. The Union will receive a reasonable notice of at least seven (7) days prior to the sessions(s).

ARTICLE 13

POSITION DESCRIPTION AND CLASSIFICATION

1. **Policy:** Each employee shall have a position description which is accurate as to title, series, and grade, and clearly states major duties that are reflected in performance elements. A position description is deemed to be accurate when principal duties, knowledge requirements, and supervisory relationships are described, and it covers 80 percent or more of the work situation. All major duties must be covered in the 80 percent or more of the work situation. The term “major duty” means the grouping of tasks that are grade or series controlling, or takes 25 percent or more of an employee’s time. The position description shall be reviewed annually by the employee and work supervisor, normally during the performance review period.

2. **Position Description Review Procedure:** Any employee who feels that he or she is performing duties outside the scope of their position description, or that it is otherwise inaccurate, may make a written request to their immediate supervisor that the position description be reviewed. The written request will include a summary of the inaccuracies and/or additional duties not described. The position description is then to be reviewed by the first line supervisor and the findings presented to the employee within thirty (30) days of the employee’s request for review. In conducting the review, the supervisor will consider the employee’s written and oral comments. Management shall refrain from reassigning an employee’s duties during the position description review, if the sole purpose for reassigning the duties is to avoid reclassification of the position. The employee may have Union representation during any discussions related to the review. If the employee is not satisfied with the results of the review, he/she may grieve the accuracy of the PD review in accordance with Article 8.

3. **Position Classification Review Procedure:** When the supervisor agrees a position description is inaccurate for the position’s assigned duties or the employee believes it is not properly classified, a position classification review or the rights and process for appeal may be requested. If the employee requests a position classification review from Management, Management will initiate an action. The classifier will consider the employee’s written and oral comments. The employee may have Union representation during discussions related to the classification review. The findings will be reported via email to the employee no later than ninety (90) days from the date of the classification
review action. The employee may appeal the results of the classification review. Management shall refrain from reassigning an employee’s duties during the classification review if the sole purpose for reassigning the work is to avoid reclassification of the employee’s position.

4. **Noncompetitive Promotion:** If a classification review of a position or position description reveals that there has been an accretion of duties which would result in the classification of a position at a higher grade, Management may decide: to eliminate and/or redistribute the grade-controlling duties; the employee may be promoted; or the position may need to be competed in accordance with DR 4030-335-002, Merit Promotion and Placement. If Management eliminates and/or redistributes the grade controlling duties, the employee will be advised in writing of the decision within fifteen (15) days of the completion of the review. If Management temporarily needs to have the higher graded duties remain with the employee past the fifteen (15) days, then the employee will receive a noncompetitive temporary promotion, if eligible. The temporary promotion will be effective no later than the start of the pay period after the fifteen (15) days. If an accretion of duty action is applicable and management decides to process the promotion action, the employee will be promoted at the beginning of the first full pay period after the position has been classified at the higher level. In the event the promotion is delayed, Management will inform the employee of the reason for the delay and the pay period that the promotion will take effect.

5. **New or Revised Position Description:**

   a. When an employee is assigned additional major duties, for twelve (12) months or more, not reflected in his/her current position description, Management will determine the appropriate process for modifying the position description. If appropriate, Management will revise the position description to reflect the changes in accordance with Section 1 above.

   b. When a new position description has been approved and classified, the supervisor and the employee will review and discuss the new position description and any associated performance measures and elements.

   c. If the Union requests copies of bargaining unit position descriptions they will be provided to the Union on a case by case basis.

      2. Not received an equivalent increase during the waiting period; and
      
      3. A current summary rating of fully successful or higher.
c. Prior to withholding a WGI, the employee may be advised in writing that his/her performance is unacceptable and the employee will be given thirty (30) days to demonstrate acceptable performance. The written notification will advise the employee of those aspects of performance which are deemed unacceptable and what the employee must do to improve performance to be granted the within-grade increase. If the employee does not demonstrate acceptable performance within thirty (30) days, the employee shall be notified in writing of the reasons for withholding the within-grade increase. The written notification will inform the employee that he/she can request reconsideration of the denial of the within grade increase.

d. An employee may request reconsideration of the within grade increase denial by filing, not more than fifteen (15) days after receiving notice of determination, a written response. Management shall reconsider the determination. When a within grade increase withholding is sustained after reconsideration, an employee shall be informed in writing of the reasons for the decision and of his/her right to grieve the decision. i. An employee’s rights for non-selection information are as contained in the DR 4030-335-002, Merit Promotion Plan.

j. The Union may request information in accordance with 5 USC 7114 (b) in a formal Information Request to the Center Director, with a cc to the designated Labor Relations Specialist, for documents pertaining to non-selection rights in accordance with DR 4030-335-002, Merit Promotion Plan and the process for the filling or non-filling of vacancies.

3. Career-Ladder Promotions:

a. Competitive procedures are not applicable for career promotions when competition was documented at an earlier stage. Except as provided below, employees within a career ladder will be promoted to the full performance level as soon as they met the time-in-grade requirements and have successfully met the requirements of the current and the next higher grade in the areas they have been provided an opportunity to perform. Where practicable, management will provide opportunities to the employee to demonstrate successful performance. Upon demonstration of the ability to perform at the higher level, the supervisor will initiate the career ladder promotion action.

b. If a supervisor’s review leads to the conclusion that the employee’s performance does not warrant a promotion or that other circumstances exist which may delay a promotion, the supervisor will provide a notice to the employee in writing 60 days before the employee is eligible for the promotion. The written notice will provide the details for promotional noncompliance and advice as to what the employee must do to qualify for the
promotion. If delays are for reasons other than performance, they will be explained in the advance notice.

c. However, if the decision not to promote is based on performance, the employee will then be given thirty (30) days to demonstrate improved performance to a level warranting promotion. If at the end of thirty (30) days performance has improved to an acceptable level, the employee will be promoted to the higher grade.

4. **Re Promotion Rights:** This section applies for up to two (2) years from the date of involuntary demotion. It does not apply to involuntary demotions due to performance or misconduct.

   a. Candidates with re promotion rights will be given appropriate consideration, prior to filling of vacancies in accordance with DR 4030-335-002 Merit Promotion Plan.

   b. When more than one employee has re promotion rights and both are qualified for a position, the employee with the earliest leave service computation date will be offered re promotion first.

   c. Offers of positions outside the local commuting area to employees whose positions have been involuntarily downgraded, and who are entitled to saved-grade/saved-pay protections may be declined by the employee and shall not affect the entitlement to saved grade or saved pay. Commuting area is defined as any population center or two or more neighboring ones and the surrounding localities in which people can reasonably be expected to travel back and forth daily. The standard commuting area shall be forty-nine (49) miles.

   d. After the two (2) year period covered above, the employee is still eligible for priority consideration to be re promoted to the highest grade previously held on a permanent basis (or intervening grade), if they apply for a position. In order to assert this eligibility, the employee must include their re promotion letter or SF-50 showing their involuntary downgrade indicating that they have re promotion priority consideration when they apply for a vacant position.

5. **Temporary Promotion:** A qualified employee placed in a higher-graded position or assigned to a group of duties that have been properly classified at a higher grade, for thirty (30) consecutive days or more, will be temporarily promoted into that position and paid accordingly. Management will not rotate vacant positions for the sole purpose of avoiding a temporary promotion. When Management determines the need for a
temporary promotion for over one hundred twenty (120) days they may choose to temporarily fill the position non-competitively with multiple candidates or through competitive procedures.

6. **Noncompetitive Promotion**: When management has determined there has been an accretion of duties or additional responsibilities assigned to warrant an increase in grade, Management may noncompetitively promote the employee in accordance with DR 4030-335-002 or eliminate or redistribute the grade-controlling duties.

Before management may consider an accretion of duties noncompetitive promotion, the criteria noted in DR 4030-335-002 must be met, which includes:

   a. The major duties and basic functions of the current position must be absorbed into the new position;

   b. The current position must be abolished;

   c. The new position must not have any known promotion potential beyond its accreted grade level;

   d. The addition of higher level duties and responsibilities must not result in the abolishment of another position, reduce the known promotion potential of another position, or adversely impact another occupied position;

   e. No other employee(s) in the same organizational unit may be performing similar duties prior to the addition of the new duties and responsibilities which precipitated a promotion based on accretion of duties; and

   f. The employee meets time-in-grade and qualification standards.

7. **Details**: 

   a. A detail is the temporary assignment of an employee to a different position or to a different set of duties for a specific period within the same grade with no promotion potential, with the employee returning to his or her regular duties at the end of the detail. The employee continues to be the incumbent of the position from which detailed.

   b. Management may detail an employee to a different position or to different set of duties at any time, for any reason management deems to be
appropriate and in the interest of accomplishing the Agency mission. Management may consider employee hardship requests to excuse an employee from a detail assignment.

c. Details in excess of thirty (30) days will be documented in the employee’s electronic Official Personnel Folder (eOPF).

d. For details to bargaining unit positions within the Forest Service, the following will apply:

1. When Management determines the need for a detailer for over one hundred twenty (120) days, and has determined that there are two (2) or more qualified employees at the same grade level as the detail position, Management may consider rotating the assignment at least every one hundred twenty (120) days.

2. Employees who are considering a detail assignment to another line unit are expected to communicate with their first line supervisor to obtain approval and to discuss release dates, if approved. Detail assignments may be denied.

3. The rating supervisor of the detail will give the employee an interim rating upon completion of details exceeding ninety (90) days. The rating should be entered into the employee’s Performance Management file. For details to other agencies, the employee will request a performance evaluation accompany the employee upon return. The Forest Service rating supervisor will consider it in the employee’s annual performance appraisal.

8. Certification or licensure in a particular field will not be required as a selective placement factor, unless certification or licensure is determined to be a condition of employment and/or required by law or Departmental or Agency Policy.

ARTICLE 16

3. An award is something bestowed or an action taken to recognize and reward individual or team achievement that contributed to meeting organizational goals or improving the efficiency, effectiveness, and economy of the Agency operations. Awards may have the effect of motivating employees to increase their productivity and creativity for the benefit of the Agency mission and the public we serve. To meet this goal, awards should be given as soon as possible after the achievement. Award programs will be equitable in opportunity and a fairness in the distribution of awards.

4. **Performance Bonuses:** Recognition may be given at Management election for performance rated above fully successful. Types of awards may include lump-sum performance bonuses and Quality Step increases. See DR 4040-451-1, USDA Awards and Recognition Program.

5. **Monetary Extra Effort Awards:** Recognition given for a particular accomplishment such as those defined above. Dollar amounts are determined by the value of benefits and application of the contribution to the Forest Service mission or goals. 9. Management may schedule an appropriate award presentation for an employee taking into account the employee’s preferences. When possible, the supervisor will inform the employee of a monetary award before the employee receives the money.
10. Upon request, a union official may be provided an award report for bargaining unit employees on the represented unit. The standard report will include: type of award; date of award; pay plan; grade; series; title bargaining unit status code; and organizational code for the last three years from the date of the request.

Note: This standard report does not include employee names. If the Union needs employee names or other information than that which is in the standard report above will need to file an information request and provide a particularized need.

11. Whenever possible, recipients may be allowed a choice in the type of recognition they receive. For example, an employee may be offered the opportunity to select from among several kinds of nonmonetary keepsakes for length-of-service recognition or a time-off award in lieu of monetary spot award. Once granted, time-off awards cannot be converted to a cash payment.

12. Management will make a good faith effort to set aside funds that may be used in anticipation of monetary awards.

ARTICLE 17

Management has the authority to approve or disapprove a maxi flex work schedule request.

Management will respond and approve the credit hours if the work is assigned duties that could not have been performed during a normal tour of duty. Credit hours used are considered hours worked.
   
   a. A maximum of twenty-four (24) hours may be used as a credit hour carry-over from one pay period to another.
   
   b. A leave request must be submitted and approved to use credit hours in accordance with the leave request provisions outlined in Article 19 and supervisor leave request procedures.

**ACTIONS BASED ON UNACCEPTABLE PERFORMANCE**

   b. Information as to how the supervisor will assist the employee. Assistance may include, training opportunities, mentoring opportunities, and regularity and frequency of meetings to discuss and re-evaluate the employee’s performance.

4. The employee shall be given 30 days to demonstrate acceptable performance. A longer demonstration opportunity period may be warranted, at management discretion, depending on the nature of the employee’s position and the performance deficiency involved. The supervisor will ensure that the employee receives adequate worktime in order to improve that area that has been declared unacceptable. The purpose of the demonstration opportunity period is to assist the employee in performing their duties at the fully successful level.
5. Within seven (7) days of the end of an opportunity period, the rating official will normally notify the employee, in writing, whether the employee’s performance has improved to the successful level.

ARTICLE 21
DISCIPLINE AND ADVERSE ACTIONS

1. Management and the Union agree it is important that the supervisor/employee relationship encourage early recognition and resolution of a potential performance or conduct situation that could lead to disciplinary action.

2. An employee must notify management, in writing, of union representation for a disciplinary or adverse action matter. Once Management has been notified that the Union is representing a bargaining unit employee in reference to a specific matter, Management will notify the representative of any additional meeting with the employee relevant to that matter. The notification should allow reasonable time for the Representative to attend the meeting, but no more than twenty-hour (24) hour notice is required. A copy of any correspondence to the employee related to the matter will be sent to the Union Representative at the same time as it is sent to the employee.

3. Admonishment and counseling are not formal disciplinary actions to which the procedures in this Article apply. Non-Disciplinary supervisor direction may include written or verbal admonishment, caution, warning, expectation or counseling. If an admonishment or counseling letter is issued, it will state the specific reasons that gave rise to the letter.

4. Alternative Discipline:
   a. The Parties agree that alternative discipline, under the right circumstances, may be an efficient and effective approach in lieu of or in addition to traditional discipline. The Parties may consider and/or propose an alternative form of discipline at any stage during the disciplinary process. If Management decides to propose alternative discipline, a proposal will include at least these provisions:
      1. The specific form of the alternative discipline;
      2. The date by which it is to be completed;
      3. The charged misconduct and the proposed formal discipline or adverse action;
      4. Action to be taken if the employee does not comply;
      5. Recognition by the Parties that the alternative discipline may be referenced in any subsequent disciplinary action; and
      6. A voluntary waiver of any appeal rights the employee may have regarding the matter.
b. Examples of alternative discipline Management may consider include, but are not limited to:

1. A leave donation by the employee through the Agency’s leave donation program equal to the amount of time that would have been spent on suspension;

2. Attendance by the employee at an appropriate counseling program approved by the Agency Employee Assistance Program;

3. A “paper suspension,” whereby the employee does not serve a suspension or lose pay, but the suspension may be relied on in future disciplinary actions for purposes of progressive discipline.

4. A Last Chance Agreement (LCA), in which the Agency agrees to hold a discipline or an adverse action decision in abeyance in exchange for the employee’s:
   a. Commitment to abide by a certain set of behaviors or conditions for a set period of time as determined by the Agency;
   b. Waiver of his/her rights to challenge the decision; and
   c. Agreement that if the employee fails to fulfill the terms of the agreement, the decision will be implemented.

c. Nothing in this section shall take away the Management Right to Discipline or require Management to use alternative discipline in lieu of formal disciplinary action. Management’s decision regarding the use, or not, of alternative discipline is not negotiable nor may it be grieved.

5. **Discipline and Adverse Actions:**

   a. Decisions will be made through an analysis of workload; an assessment of the projected program of work, including anticipated budgets; and workforce analysis to include the kind of skill, the number of positions with those skilled needed, and the locations of those positions. A Civil Rights Impact Analysis will also be conducted as required by Agency regulations.

4. **Identification of Employees Subject to Displacement:**
   
   a. When one or more positions have been identified for abolishment within the same competitive area, same competitive level (as defined in Article 33.10), Management will identify employees subject to displacement in the order in Subsection c. below.

         a. Job Corps Civilian Conservation Center employees compete center wide.
b. Job Corps Civilian Conservation Center employees in the Denver field office compete office-wide.

2. Employees who have been accepted for employment outside of the Forest Service;

3. Employees who make a voluntary, irrevocable decision to be designated as being subject to displacement – most service first; and

d. Notification:

1. When Management identifies such employees, the affected employees will be notified by letter in person, if possible. The letter will contain:

   a. An explanation of why the position was identified for abolishment, including information on program of work, budget, and/or organizational changes as determined in the unit’s workforce analysis,

Within ten (10) days of receipt of the “Determining Employee(s) Who Will Be Affected” letter to the potentially affected employees, the WRAPS database will be updated by The Workforce Transition Team (WTT).

2. Once employees are identified as affected employees going onto WRAPS, they will have access to the WRAPS database system through the Connect HR dashboard, to update their profile and preferences, to include identifying preference locations and other occupational series. The national union representatives will also have access to the WRAPS system.

3. During the WRAPS process, employees have the opportunity to discuss their situation with a WRAPS counselor and also with the HRST, to ensure a clear understanding of the implications of the occupation, grade and geographic preferences indicated by the employee. Employees who fail to enter information into their WRAPS profile, will have their current series, grade, and locality used for possible placement opportunities.

4. Employees identified for displacement will remain on the WRAPS list until they have been placed in a funded position or other actions have been taken.

5. **Placement of Employees Identified for Displacement:**

   a. Offers of Placement:

   1. Employees will be counseled and afforded every opportunity to find a new position based on organizational needs and their career goals and personal needs.

   2. In accordance with U.S. Office of Personnel Management (OPM) guidelines, Management will consider modifying qualification standards for local positions only, excluding positive education requirements, of a position if the employee could meet the qualifications within three hundred and sixty five (365) days of occupying the position.

   3. Affected employees on short details consisting of less than one thousand and forty (1040) hours, will be provided opportunities to continue placement efforts. Affected employees on details over one thousand and forty (1040) hours will be placed inactive in the WRAPS system until sixty (60) days prior to the end of the detail.
