

FOREIGN TRAVEL DEBRIEFING FORM

NOTICE: The information requested below is protected by the Privacy Act, 5 U.S.C. 552a. The authority for requesting this information is derived from Executive Order 13587 on establishing an Insider Threat Task Force, National Insider Threat Policy and Minimum Standards. This information is necessary to evaluate foreign travel, and future requests, and will not be used for any other purpose. By providing this information, we are able to protect you and our national interests; have the opportunity to analyze your experience and identify any anomalies that may raise a security concern; and to also better prepare future travelers to the same location.
