AGPMR Advisory No. 13-03

UNITED STATES DEPARTMENT OF AGRICULTURE
OFFICE OF PROCUREMENT AND PROPERTY MANAGEMENT

AGPMR ADVISORY

ADVISORY NO. 13-03

(Replaces Canceled ADVISORY No. 13-01, dated Nov. 14, 2012)

Title: Reporting of Excess Real Property to the Department of Housing and Urban Development (HUD) in Compliance with the McKinney-Vento Homeless Assistance Act (Public Law 101-645)

1. SUMMARY

Public Law 101-645 (McKinney-Vento Homeless Assistance Act) and Agriculture Property Management Regulation 110-51.106 require all Federal agencies to report on a quarterly basis their inventory of excess real property to HUD.

For the purpose of this Advisory, “excess” real property refers to an asset that the agency has determined to be excess, for which it has identified funding for demolition or offsite removal, and is using agency-specific statutory or delegated disposal authority. In other words, the agency has specific plans to dispose of the asset and plans to do so independent from the General Services Administration (GSA). Therefore, this Advisory does not pertain to real property the agency reports excess to GSA for disposal, because in that case GSA would submit a HUD Title V Checklist to HUD for the agency.

3. ACTIONS

When the agency has determined a real property asset to be “excess,” has identified funding for demolition or offsite removal, and is using agency-specific statutory or delegated disposal authority:

1. Change the asset’s status in the Corporate Automated Property Information System (CPAIS) to “EXISTING - EXCESS TO DEPT.”

3. Submit the completed HUD Title V Checklist to:

   Office of Special Needs Assistance Programs
   U.S. Department of Housing and Urban Development
   ATTN: Ms. Juanita Perry
   451 7th Street, SW
   Washington, DC 20410

   Alternately, you may email a maximum of 10 HUD Title V Checklists at a time to Ms. Perry at this address: Juanita.A.Perry@hud.gov. Batches greater than 10 are to be sent by regular mail. HUD Title V Checklists are due to HUD by the end of each quarter, or by December 31, March 31, June 30, and September 30. It is recommended they be submitted as soon as the status is changed in CPAIS. Please do not send the HUD Title V Checklists to OPPM. Instead, OPPM will submit a summary CPAIS status change report to HUD at the end of each quarter for reconciliation purposes.
