**PCard-11-2014: Procurement Advisory No. 58 B: Partially Removes the Prohibition on Use of the Purchase Card to Acquire Telecommunications**

**This information is being sent on behalf of Charge Card Service Center (CCSC) Program Office.**

APCs,

CCSC is notifying you that the Procurement Policy Division (DM-OPPM-PPD) has released [Procurement Advisory No. 58 B](#). As of June 5, 2014 USDA is providing the authority to purchase telecommunication to purchase cardholders and warranted contracting officers up to the lesser of their single purchase limit, or the Acquisition Approval Request (AAR) limit, for IT and telecommunications.

The CCSC will continue to provide new information as it is released. If you have any questions feel free to contact the points of contact identified in the Procurement Advisory or us via the CCSC inbox.

Thank you for your support,

CCSC
