Item I– Simplified Acquisition Procedures

This final rule (AGAR Case 96-05) becomes effective October 22, 1999. It reorganizes part 413 to reflect the reorganization of FAR part 13, and updates a citation to part 413 which appears in part 453.

Item II–Contracting by Negotiation

This final rule (AGAR Case 96-04) becomes effective November 29, 1999. It amends AGAR Parts 401, 415, 437, and 452 to reflect changes in FAR part 15. The following changes have been made to the AGAR:

1. AGAR 401.106 is amended to update a citation to AGAR part 415. The reference to AGAR subpart 415.4 is changed to read AGAR subpart 415.2.

2. AGAR part 415 is revised and reorganized to reflect the streamlining and restructuring of FAR part 15. AGAR sections supplementing sections which were removed from FAR part 15 are removed. Section 415.303, Responsibilities, is added to specify that the head of the contracting activity (HCA) is authorized to appoint an individual other than the contracting officer as the source selection authority. Section 415.305, Proposal Evaluation, is added to authorize contracting activities to establish procedures for release of cost information to technical evaluation teams.

3. AGAR section 437.204 is added to authorize HCAs to approve the use of non-Government evaluators for proposal evaluation. Substantially similar guidance had been provided by AGAR subsection 415.413-2.

4. AGAR provision 452.215-71 is amended to delete Alternates I and II, which were made obsolete by changes to FAR parts 15 and 53. Citations to AGAR part 415 were updated in AGAR part 452.

PART 401
AGRICULTURE ACQUISITION
REGULATION SYSTEM

401.000 Scope of Part.

This part presents basic policies and
general information about the
Department of Agriculture's (USDA)
Acquisition Regulation, subsequently
referred to as the AGAR. The AGAR is
an integral part of the Federal
Acquisition Regulations System.

SUBPART 401.1--PURPOSE,
AUTHORITY, ISSUANCE

401.101 Purpose.

(a) The AGAR provides for the
codification and publication of uniform
policies and procedures for acquisitions
by contracting activities within USDA.

(b) The purpose of the AGAR is to
implement the Federal Acquisition
Regulation (FAR), where further
implementation is needed, and to
supplement the FAR when coverage is
needed for subject matter not covered in
the FAR. The AGAR is not by itself a
complete document, as it must be used in
conjunction with the FAR.

401.103 Authority.

The AGAR and amendments thereto
are issued under 5 U.S.C. 301 and
40 U.S.C. 486(c). The Senior
Procurement Executive (SPE) has the
delegated authority to promulgate
Departmental acquisition regulations.

401.104 Applicability.

The FAR and AGAR apply to all
USDA acquisitions of supplies and
services (including construction) which
obligate appropriated funds, unless
otherwise specified in this chapter or
excepted by law.

401.105 Issuance.

401.105-1 Publication and code
arrangement.

(a) The AGAR is codified in the
Code of Federal Regulations (CFR) as
Chapter 4 of Title 48, Federal Acquisi-
tion Regulations System, to implement
and supplement Chapter 1 which
constitutes the FAR. Parts 400 through
499 have been assigned to USDA by the
Office of the Federal Register.

(b) The AGAR and its subsequent
changes are published in: (1) daily issues
of the Federal Register, (2) cumulative
form in the CFR, and (3) loose-leaf form
for distribution within USDA.

(c) Section 553(a)(2) of the
Administrative Procedure Act,
5 U.S.C. 553, provides an exception
from the standard public rulemaking
procedures to the extent that the rule
involves a matter relating to agency
management or personnel or to public
property, loans, grants, benefits, or contracts. OFPP Policy Letter 83-2 requires rulemaking for substantive acquisition rules but allows discretion in the matter for other than significant issues meeting the stated criteria. The AGAR has been promulgated and may be revised from time to time in accordance with the rulemaking procedures of the Administrative Procedure Act and OFPP Policy Letter 83-2.

401.105-2 Arrangement of regulations.

AGAR coverage parallels the FAR in format, arrangement, and numbering system. However, subdivisions below the section and subsection levels may not always correlate directly to FAR designated paragraphs and subparagraphs.

401.105-3 Copies.

Copies of the AGAR published in CFR form may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402. Requests should reference Chapter 4 of Title 48 CFR.

401.106 OMB approval under the Paperwork Reduction Act.

The following OMB control numbers apply to USDA solicitations and specified information collections within the AGAR:

AND INFORMATION

415.204 Contract format.

The Senior Procurement Executive is authorized to exempt contracts from the uniform contract format.

415.207 Handling proposals and information.

(a) Throughout the source selection process, agency personnel and non-Government evaluators with access to proposal information shall disclose neither the number of offerors nor their identity except as authorized by FAR subpart 15.5. (See also FAR 5.403)

(b) The contracting officer shall obtain the following written agreement from the non-Government evaluator prior to the release of any proposal to that evaluator.

AGREEMENT GOVERNING THE
USE AND DISCLOSURE OF
PROPOSALS

RFP#__________________________
Offeror_______________________

1. To the best of my knowledge and belief, no conflict of interest exists that may diminish my capacity to perform an impartial and objective review of the offeror's proposal, or may otherwise result in a biased opinion or an unfair advantage. If a potential conflict of interest arises or if I identify such a conflict, I agree to notify the Government promptly concerning the potential conflict. In determining whether any potential conflict of interest exists, I agree to review whether my or my employer's relationships with other persons or entities, including, but not limited to, ownership of stocks, bonds, other outstanding financial interests or commitments, employment arrangements (past, present, or under consideration), and, to the extent known by me, all financial interests and employment arrangements of my spouse, minor children, and other members of my immediate household, may place me in a position of conflict, real or apparent, with the evaluation proceedings.

2. I agree to use proposal information only for evaluation purposes. I understand that any authorized restriction on disclosure placed upon the proposal by the prospective contractor or subcontractor or by the Government shall be applied to any reproduction or abstracted information of the proposal. I agree to use my best effort to safeguard such information physically, and not to disclose the contents of, or release any information relating to, the proposal(s) to anyone outside of the Source Evaluation Board or other panel assembled for this acquisition, the Contracting Officer, or other individuals designated by the Contracting Officer.

3. I agree to return to the Government
all copies of proposals, as well as any abstracts, upon completion of the evaluation.

(Name and Organization)

(Date)

(End of provision)

(c) The release of a proposal to a non-Government evaluator for evaluation does not constitute the release of information for purposes of the Freedom of Information Act (5 U.S.C. 552).

(d) The contracting officer shall attach a cover page bearing the following notice: GOVERNMENT NOTICE FOR HANDLING PROPOSALS - This proposal shall be used and disclosed for evaluation purposes only. Attach a copy of this Government notice to every reproduction or abstract of the proposal. Any authorized restrictive notices which the submitter places on this proposal shall be strictly complied with. Disclosure of this proposal outside the Government for evaluation purposes shall be made only to the extent authorized by, and in accordance with, FAR 3.104-5, FAR 15.207, and AGAR 415.207.

415.209 Solicitation provisions and contract clauses.

(a) The provision at 452.215-71, Instructions for the Preparation of Technical and Business Proposals, may be used when offerors will be required to submit technical and business proposals. Contracting officers should tailor the clause to reflect the degree of information required for the specific acquisition.

(b) The contracting officer shall insert the provision at 452.215-72, Amendments to Proposals, in solicitations which require the submittal of lengthy, complex technical proposals.

SUBPART 415.3--SOURCE SELECTION

415.303 Responsibilities.

The head of the contracting activity (HCA) is authorized to appoint an individual other than the contracting officer as the source selection authority.

415.305 Proposal evaluation.

HCAs are responsible for establishing procedures regarding the release of cost information to the members of the technical evaluation team.

SUBPART 415.4--CONTRACT PRICING

415.404-4 Profit.

(a) (1) USDA will use a structured approach to determine the profit or fee prernegotiation objective in acquisition actions when price negotiation is based on cost analysis.

415-2
(2) The following types of acquisitions are exempt from the requirements of the structured approach, but the contracting officer shall comply with FAR 15.404-4(d) when analyzing profit for these contracts or actions:

   (i) Architect-engineer contracts;
   (ii) Construction contracts;
   (iii) Contracts primarily requiring delivery of material supplied by subcontractors;
   (iv) Termination settlements; and
   (v) Cost-plus-award-fee contracts;

(b) Unless otherwise restricted by contracting activity procedures, the Contracting Officer may use another Federal agency’s structured approach if that approach has been formalized and is maintained as part of that Agency’s acquisition regulations (i.e., included in that Agency’s assigned chapter of Title 48 of the Code of Federal Regulations).

(c) The HCA is responsible for establishing procedures to ensure compliance with this subpart.

**SUBPART 415.5--PREAWARD, AWARD, AND POSTAWARD NOTIFICATIONS, PROTESTS AND MISTAKES**

415.570 Post-Award Conference.

If a postaward conference is necessary, the contracting officer shall insert clause 452.215-73, Post-Award Conference.

(a) General Instructions. Proposals submitted in response to this solicitation shall be furnished in the following format with the numbers of copies as specified below.

(1) The proposal must include a technical proposal and business proposal. Each of the parts shall be separate and complete so that evaluation of one may be accomplished independently from evaluation of the other. The technical proposal must not contain reference to cost; however, resource information (such as data concerning labor hours and categories, materials, subcontracts, etc.) must be contained in the technical proposal so that the contractor's understanding of the statement of work may be evaluated.

(2) Offerors may, at their discretion, submit alternate proposals or proposals which deviate from the requirement; provided, that an offeror also submit a proposal for performance of the work as specified in the statement of work. Any "alternate" proposal may be considered if overall performance would be improved or not compromised, and if it is in the best interest of the Government. Alternate proposals, or deviations from any requirement of this RFP, must be clearly identified.

(3) The Government will evaluate proposals in accordance with the evaluation criteria set forth in Section M of this RFP.

(4) Offerors shall submit their proposal(s) in the following format and the quantities specified:

(a) ___ copies of the completed, signed offer (Sections A through K of the solicitation package)

(b) ___ copies of the technical proposal

(c) ___ copies of the business/cost proposal

(b) Technical Proposal Instructions. The technical proposal will be used to make an evaluation and arrive at a determination as to whether the proposal will meet the requirements of the Government. Therefore, the technical proposal must present sufficient information to reflect a thorough understanding of the requirements and a detailed, description of the techniques, procedures and program for achieving the objectives of the specifications/statement of work. Proposals which merely paraphrase the requirements of the Government's specifications/statement of work, or use such phrases as "will comply" or "standard techniques will be employed" will be considered unacceptable and will not be considered further. As a minimum, the proposal must clearly provide the following:
